REPAIRS TO US ROUTE 4 BRIDGE OVER CONNECTICUT RIVER IN LEBANON
DECK PATCHING WILL REQUIRE SINGLE LANE TRAFFIC FOR ONE WEEK

The New Hampshire Department of Transportation announces bridge repairs are scheduled to begin Tuesday, September 20, 2005 on the US Route 4 Bridge over the Connecticut River in Lebanon.

This deck patching work will require single lane traffic daily between 7:00 am and 4:00 pm for one week. Warning signs and cones will be used to guide motorists through the work zone. Minor delay should be expected.

In the event of inclement weather, work will be postponed until the following day. Motorists are urged to proceed with caution when driving through the work zone.
